Training times				times to be confirmed				times to be confirmed				times to be confirmed				times to be confirmed			
Team manager meeting				time to be confirmed				1/2 hr after the last race of the day				1/2 hr after the last race of the day							

Notes regarding the time schedule:

Time between races is 10 minutes between heats and repecharges & 12 minutes between semi finals and finals.

We run B and A finals together for each class on Saturday. That is one after the other as opposed to all B-finals followed by all A-finals.

Medal ceremonies are held directly after each A final, at a pontoon near the finish line.
